IT SHALL BE MY PURPOSE AS A 4-H MEMBER

TO LEARN skills that will help me to be self-reliant in spirit and useful in daily contacts; for self-reliance in the badge of courage, and usefulness a resource to share.

TO SEE the beauty of the good Earth that sustains life, the glory of the heavens that sustains faith; for to enjoy, use and share these gifts of nature is communing with the Creator.

TO BELIEVE in the country home where work, joys and sorrows are shared; for the home is the maker of life-patterns, the center of affections that will keep America great.

TO KEEP an open mind and a humble spirit; for this is the key of friendships, the doorway to growth, the pathway of love as a vital force.

TO KNOW that as a member of an organization I owe it my loyalty, and through it can share graciously in making farm life abundant, community life attractive, homes citadels of peace and honor and beauty; and pray that this spirit may radiate throughout our land and the world.
